REFUND OF TUITION FEES

Extract from the Institute's Tuition Fees Payment & Refund Policy:

Tuition fees will be refunded only in the following circumstances:

- a. If the Institute makes an offer on the basis of incorrect or incomplete information being supplied by the applicant/student, the offer will be withdrawn and any refund will occur at the Institute's discretion.
- b. Where a student, after accepting an offer of a place, gives written notice more than 1 month before commencement of the teaching period, that they will cancel their place in the course, the tuition fees paid for the trimester are refundable in full. However, an administrative fee of 10% of the tuition fee for one trimester may be charged, as applicable.
- c. Where a student, after accepting an offer of a place, gives written notice less than 1 month before commencement of the teaching period, that they will cancel their place in the course, 70% of the tuition fees for that trimester are refundable.
- d. Where a student gives a written notice after the commencement of the teaching period, but before the relevant census date, that they will cancel their place in the course, 50% of the tuition fees for that trimester are refundable.
- e. Where a student gives a written notice after the commencement of the teaching period and after the relevant census date, that they will cancel their place in the course, no tuition fees for that trimester are refundable.
- f. Where the Institute refuses to provide, or continue providing, a course to the student because the student:
 - i. has failed to pay an amount he or she was liable to pay the Institute, directly or indirectly, in order to undertake the course, then the student is not eligible for a refund.
 - ii. breached a condition of his or her student visa or misbehaved, if:
 - a) before the relevant census date, the tuition fees paid for the trimester are refundable but incurring an administrative fee of 10% of the tuition fee for one trimester;
 - b) after the relevant census date, the student shall not be eligible for a refund.
- g. A student who withdraws or defers from a course for whatever reason after the census date shall not be eligible for a refund.
- h. A student who has his/her visa cancelled after the census date shall not be eligible for a refund, other than as required under related laws, including the ESOS Act. If a student is refused a student visa for the reasons set out in section 28(4) of the ESOS Act, then the provisions of the ESOS Act apply regarding any refund, and not this procedure.

International Students Fees are protected by the Australian Government's Tuition Protection Service (TPS)
